Rick:

Attached please find 2 pre drill water tests, one for the Yeager property and one for U.S. FOIA (b)(6) property which sits downhill from the Yeager drill site. In addition, I have attached the Atlas water test results for Haney and Voyles. Finally, I have included the water testing results done on Kiskadden's water by the PA DEP and Range. Please let me know if the EPA is still on tract to release the data at the end of this week regarding its first round of water testing for the Haney, Voyles and U.S. FOIA (b)(6) as well as the U.S. FOIA (b)(6) air testing data. Thank you.
